THE

Chieftain

1953

Published By
THE SENIOR CLASS OF
MILLERS CREEK HIGH SCHOOL

Foreword

To retain in a tangible form our memories of the happy year 1952 - 1953 at M. C. H. S., the Senior Class publishes the 1953 "Chieftain," hoping that it will serve to link us together even after we have parted. Each part of this annual is designed to remind us of the activities, the classes, and the friendships of this year.

DEDICATION

As we look back through the years, it is our parents who always form the background, the foundation for our growth. They are the ones who guided our first steps, who started us out on the first day of school, who bandaged our cuts and bruises and listened with patience to our tales of woe. Our parents are the ones who have made innumerable sacrifices for us; they are the ones who helped us over obstacles, and it is they who comforted us when our little worlds turned upside down. Therefore, in recognition and appreciation of their untiring, unending devotion, service and love, we dedicate this, our 1953 "Chieftain", to our best friends -- OUR PARENTS.

Driver Training Course Established in Wilkes

NORTH WILKESBORO. — Millers Creek High School has made history in Wilkes County by becoming the first to establish an accredited driving course in the high school curriculum.

During the summer months Sam Osborne took a course under John Noe, safety advisor of the State Department of Education, and qualified as an instructor.

The course at Millers Creek this year is open only to students of the senior and 11 grades but plans have been made for expansion in the future.

Sixty-six students are currently enrolled in the two driving classes. A half unit will be allowed for graduation on successful completion of the course.
